

# DUPONT ACADEMY IOI

## 2018 Chemical Protective Clothing Seminar

**Ideal for distributor field sales personnel, safety specialists and inside sales**

### Topics include:<sup>1</sup>

- Protective clothing selection theory
- Hands-on product and application demonstrations
- Garment standards review
- DuPont product positioning and selling tools
- DuPont™ SafeSPEC™ online tool review
- DuPont™ Thermo-Man® demonstration
- DuPont™ Tyvek® manufacturing site tour

### Space is limited. Reserve yours now.

The seminar is free. However, all related expenses are the responsibility of the attendee.

Co-op reimbursement (except transportation costs) may be available. Contact your DuPont representative about eligibility.

Once you've registered, we will provide information on logistics and accommodations.
