

Mark Ma
Global Marketing Manager
DuPont Photovoltaic Solutions

Mark is the Global Marketing Manager for DuPont Photovoltaic Solutions. He is responsible for developing and executing long-term marketing plans and short-term action plans for the Asia Pacific region.

Mark began his career with DuPont in 2007 as a Marketing Manager in DuPont's Performance Coating business. He later held Sales and Marketing roles in China for DuPont Photovoltaic Solutions.

Prior to joining DuPont, he held roles with Bearing Point, eBay China, and Deloitte Consulting.

Mark received a degree in international trade from Shanghai Jiaotong University and a Master of Business Administration from the Goizueta Business School at Emory University.
