

QP16

Nomex® Comfort

The Bulwark® FR iQ Series® Men's Lightweight Comfort Woven Pant made with Nomex® Comfort was built for comfort, with fabric that feels light and smooth. These pants feature wide belt loops to accommodate large belts, six pockets, and a one-piece waistband with concealed button closure. These jean cut style pants have double articulated knees for ease of movement and increased mobility and feature CAT 1 protection and NFPA 2112 compliance.

FEATURES & PRODUCT DETAILS

Nomex® Comfort delivers comfort without compromise. The unique fabric technology of Nomex® Comfort offers the proven FR protection of Nomex® in a lightweight, breathable, quick-drying fabric – designed for extreme performance in the oil & gas, petrochemical, and industrial manufacturing industries. Nomex® is inherently flame resistant, providing protection that is built into the fiber and cannot be washed out or worn away.
